

Special Services for International Letter Mail

Registered (RE): Letters or items for which proof of posting is issued. These items are tracked, and signed for on delivery by the recipient or their representative. They must carry a barcode label with the corresponding prefix (RE) on the front. They can be accompanied by Proof of Receipt. First-class letters can be sent with this Special Service.

Declared Value/Insured (VR) Letters tracked at every stage of their handling to protect valuable contents and guarantee delivery to the recipient. They also carry the DV (DECLARED VALUE/INSURED) label or a handwritten label bearing the letters DV. They are accompanied by free printed Proof of Receipt. First-class letters and items can be sent with Declared Value.

Cash On Delivery (RC): Letters for which the value of the contents must be paid upon receipt.

Tracking (LL): Letters or items for which proof of posting is issued and which have basic trackability, i.e. they are tracked as a minimum on their receipt by Hellenic Post and on their delivery (depending on the destination). The items/letters are delivered to the address indicated without being signed for. No compensation of any kind is provided for these items in the case of damage or loss of contents. First-class letters can be sent with Tracking. Tracking cannot be combined with ANY other special service.
